Summer Programs

June 20–August 5

Full and half-day programs, for kids entering Kindergarten through Grade 9
New themes each week, with special 2-week programs for kids Grades 6–9
Multiple program discounts, Member discounts
**BRAINIACTS**  
For children entering Kindergarten or 1st Grade

**Weekly Program Rate:** $190 members / $215 non-members  
(4-day week of July 4: $152 members / $172 non-members)  
**Hours:** Monday – Friday 9:00am - 1:30pm  

**Extended Day Program:** $60/session  
**Hours:** Monday – Friday 1:30pm - 5:00pm  

Extended Day participants enjoy additional activities & outdoor time, weather permitting.

**BUG U**  
June 20 – 24  
It’s a buggy world out there! Learn all about insects and arachnids in a week of creepy, crawly fun.

**KOSMIC KIDS**  
June 27 – July 1  
Looking for a truly out-of-this-world experience? Come be an astronaut for a week! Learn about planets, space, and our place in the solar system.

**MINI MAKERS**  
July 5 – 8  
Put your imagination to work as you build, create, and construct! We will be making new projects every day as we work with tools, our hands, and even robots. Come find out what the “Maker Movement” is all about!

**A PIRATE’S LIFE**  
July 11 – 15  
Ahoy maties, step aboard the good ship Discovery! Join us as we scour the seven seas, and learn how things sink and float, and about the creatures of the deep (and not so deep). **Program includes a field trip to Long Island Sound.**

**THINGS THAT FLY**  
July 18 – 22  
Up, up and away with birds, kites, bubbles, planes and all sorts of things that take to the sky.

**DINOS**  
July 25 – 29  
Join us on a trip back in time and explore the age of dinosaurs roaming the Earth. Come find out how we can still see dinosaurs alive today! **Program includes a field trip to Dinosaur State Park.**

**LOONEY LABS**  
August 1 – 5  
Join us for a week of wild and wacky science experiments. Slime, ooze, and lots of other fun things – we guarantee an explosive experience.

**ADVENTURERS**  
For children entering Grades 2 through 4

**Weekly Program Rate:** $240 members / $265 non-members  
(4-day week of July 4: $192 members / $212 non-members)  
**Hours:** Monday – Friday 9:00am - 3:30pm  

**Extended Day Program:** $60/session  
**Hours:** Monday – Friday 3:30pm - 5:00pm  

Extended Day participants enjoy additional activities & outdoor time, weather permitting.

**INTO THE WOODS**  
June 20 – 24  
Calling all explorers! It’s time to venture into the woods to meet the birds, bees, worms, and trees. We will visit these creatures and more in a week of forest-friendly fun.

**KIDS IN SPACE**  
June 27 – July 1  
Looking for an out-of-this-world experience? Want to find out what it’s like in space? Come use telescopes and build model rockets and solar systems to find out!

**DIG IT UP!**  
July 5 – 8  
Uncover what scientists can learn by digging in the dirt! You will be an anthropologist, archeologist, and paleontologist. Learn about ancient people, cultures and of course… dinosaurs! **Program includes a field trip to Dinosaur State Park.**

**UNDER THE SEA**  
July 11 – 15  
Dive into an undersea adventure! We’ll explore the ocean world from the shoreline to the deepest depths. What lives down there? And how do we find out? You’ll discover all this and more during this week of hands-on fun! **Program includes a field trip to Long Island Sound.**

**MAKER BLOCKS**  
July 18 – 22  
Do you do WeDo? We do! Build and program your own robots with Lego WeDo. Master machines and befrend our robots, Dash and Dot!

**MAD SCIENTIST LABORATORY**  
July 25 – 29  
WANTED – Mad Scientists ready to get up to their elbows in all sorts of possibly yucky experiments. Explosions possible. Must be willing to risk learning something!

**MORE MAD SCIENTIST LAB**  
August 1 – 5  
Can’t get enough of being a Mad Scientist? This week promises to get even madder than the week before. Join us as we continue the madness and take our laboratory to an even wilder level!

**VOYAGERS**  
For children entering Grades 4 through 6

**Weekly Program Rate:** $315 members / $340 non-members  
(4-day week of July 4: $252 members / $272 non-members)  
**Hours:** Monday – Friday 9:00am - 3:30pm  

**Extended Day Program:** $60/session  
**Hours:** Monday – Friday 3:30pm - 5:00pm  

Extended Day participants enjoy additional activities & outdoor time, weather permitting.

**SPY LAB**  
June 20 – 24  
Join the super sneaky spotters of Spy Lab and learn what it takes to master the skills of a special agent. Send messages in code, learn spy-craft, solve mysteries and be a super spy.

**CANDY LAB**  
June 27 – July 1  
Who can take some science, dip it in some fudge? You! Get a taste of the science of candy in this sweet program. We’ll also go on a sweet exploration of a local candy factory. **Program includes a field trip.**

**ROCK STARS**  
July 5 – 8  
Have you ever wondered what the moon is made of? What about how the Earth formed? Come find out these answers and more and become a geological expert from Earth to outer space! **Program includes a geology field trip.**

**MAKER LAB**  
July 11 – 15  
Join the Maker Movement! Learn the elements of good design. Work with tools, our 3-D printers, and various materials to, er, make stuff. Who knows? Maybe you’ll invent the next big idea!

**OCEAN EXPLORERS**  
July 18 – 22  
Sink into a week of ocean exploration! Build and test an underwater robot, and take a trip to the ocean. See if your counselors sink or float in homemade boats! **Program includes an expedition to Long Island Sound.**

**ADVANCED MAKER BLOCKS**  
July 25 – 29  
Are you a builder or a problem solver? You may be an engineer! If you want design challenges with Lego WeDo robotics, join us for a week of building, coding, and fun!

**FASHION LAB**  
August 1 – 5  
Mix the love of fashion with science! Learn the basics of garment construction and design 3D printed accessories. In true Project Runway fashion, participants will also participate in an unconventional materials challenge and figure out how to make it work!
Continue The Excitement!

Birthday Parties
The best birthday parties begin at Discovery Museum! Featuring themed adventures, demonstrations and hands-on excitement, our birthday parties are always a blast! Call for information: 203-372-3521 x130.

Overnights
Spend a night at the Museum! Get your group together and giggle the night away with dinner, a planetarium show and lots of museum magic. Call for information: 203-372-3521 x121.

Scout Badges
Summer is a great time for Scouts of all ages to have fun and earn badges! Our educational labs and programs are tailored to help with those hard-to-earn science and technology badges, belt loops and pins. Call for information: 203-372-3521 x136.
